

Checklist

TWO-PHOTO LAYOUT PLANNER

To plan a two-photo page, choose from the following options:

1. My photos will be:

- Both 4" x 6" or both 3" x 5".
- One 4" x 6" and one 3" x 5".
- Cropped.

2. I will place my photos:

- Overlapping one another.
- Separate from each other but grouped in the same area.
- In different areas of the page.

3. For my journaling I will:

- Include basic factual information beneath each photo.
- Use a journaling block and include information about both photos in paragraph form.
- Include quotes and fond memories about the person shown in the photograph.

4. When I look at this layout 10 years from now, what will I wish I had included that I'm not planning to include?

.....

.....

5. In regard to paper selection, what colors or patterns will portray the emotion about this event or paint a picture about this individual's personality?

.....
