2008 HALL OF FAME CONTEST

1 Entry Requirements: "Assignments"

You must submit a total of 10 scrapbook layouts. The layouts may be traditional, digital or a combination of both. Here's what you need to do:

- Complete all four Group 1 assignments (A, B, C and D).
- Choose and complete two assignments from Group 2 (E, F and G).
- Choose your four favorite layouts (never before seen) to submit for Group 3.

GROUP 1:

Complete the following four assignments:

Assignment A: Journal your passion

For this layout, share something you're passionate about. Let your personality shine through your journaling as you talk about something special to you. Your tone can be sentimental, cheeky, funky, sincere or as blissed out as you are.

Assignment B: Photo extraordinaire

Create a layout showcasing a photo or two (or three) that you consider extraordinary for one reason or another. Perhaps it captures a precious expression or demonstrates a cool photography technique.

Assignment C: Inventive technique

Create a layout featuring an original, innovative technique. Explain in a step-by-step format how you executed the technique. (See www.creatingkeepsakes.com/hof2008 for ideas on including this information in your entry.)

Assignment D: Designing with three or more photos

Create a layout that includes the following elements:

- 3 or more photos, any size

- 1 journaling block
- 1 title
- 1 or more embellishments

GROUP 2:

Complete two of the following three assignments:

Assignment E: Color watch

Whether you gravitate toward bright tints or muted tones, color puts an emotional stamp on your scrapbook pages. Show us a layout in which you explore a color palette that does a particularly good job of conveying emotion.

Assignment F: Crafty combo

Create a non-layout project in which you couple your scrapbooking skills with another leisure art form, including but not limited to sewing, embroidery, quilting, beading, jewelry-making, painting, home decor, drawing or coloring.

Assignment G: Mini album

Create a mini album that consists of:

- 6 or more pages
- An inventive means for closing the album
- Photos of varying sizes

GROUP 3:

Show us four of your very favorite layouts.

We want to see the layouts that you're most proud of. These are the layouts you love and can't wait to show your friends and

family. Layouts must be unpublished and never-before-submitted for publication (both in print and online).
